AGREEMENT TO MEDIATE

This is an agreement between _____ and _____

I understand that mediation is a process based on trust and cooperation that can help us discuss and resolve any conflicts that may exist between us. I agree to work in a spirit of open and full disclosure and to provide complete and accurate information during the mediation, including facts, documents, financial data, etc., in order that all parties involved can reach informed decisions.

I understand that the mediator is not a legal advisor and cannot provide legal advice to any party involved in mediation. I understand that each party has the right to his or her own attorney, and I agree to notify all participants in the process, if I have or obtain an attorney in this matter.

I understand that mediation is confidential and that I may not call upon the mediator or the mediator's employees to testify concerning this mediation. I agree not to subpoena any mediation documents about this case.

I also understand that the mediator will not discuss the content of the mediation with either party's attorney without written permission.

I understand that under Texas law, in every mediation, the parties are required to acknowledge that if the mediator has cause to believe that a child's physical or mental health or welfare has been or may be adversely affected by abuse or neglect by any person, the mediator is obligated by law to report the same to the appropriate authorities and that those specific issues are not covered by the confidentiality of a mediation session.
